PROJECT TRANSNATIONAL MEETINGS

KICK OFF MEETING

PROTOTYPE Project's kick-off meeting took place in May 2022, in Warsaw, Poland hosted by Wojska Polskiego High School. To enhance project partners' cooperation and make it easier and more profitable, the first transnational meeting started with the establishment of a strong alliance among the partners and mutual cooperation. The project partners had the chance to get to know each other, exchange their ideas and experience exploring Warsaw's landmarks.

The project partners worked on the project analysis and compared various types of the project researches and techniques. Project partners worked on organizational issues and the management of the project: project deadline, official documents, multiplier events' budgets, financial issues, intellectual output budget. The Project Management Team with the advisory of the Polish coordinator worked on the project requirements and the other project issues according to the Prototype agenda
