Introduction

Organisers

The event was organised on May th 2nd

Preparations

The event was organized by the Erasmus team coordinated by the principal of the institute.

In addition to the schoolteachers, the principal personally extended the invitation to the main schools in the area. 65 participants attended.

Event Overview

In the first phase, the principal welcomed the participants and presented the project in general terms, also referring to the bullying situation in the institute, comparing it with the data on the national situation.

Subsequently, Prof. Ancona illustrated the outputs of the project including the website as well as the part concerning gamification, illustrating the games produced in the project.

Session Structure

The event was organized in two afternoon sessions to give the greatest number of people the opportunity to participate.

Conclusion

The dissemination was a great success demonstrated by the satisfaction of the participants.

Bari, 2 May 2024

The school principal

Prof. Giovanna De Giglio
